Strengthening Community Well-being

Every day, the GVR Foundation makes Green Valley Recreation, Inc.

(GVR) and the local community better in tangible and heartfelt ways, inspired by the mission of the Foundation: *To enrich the lives of GVR members and community residents through programs, advocacy, and financial support that promote health and wellness in Green Valley, Arizona.*

Formation of the nonprofit GVR Foundation grew out of the GVR Board of Directors desire to support activities that have a direct impact on special needs within our community.

The GVR Foundation is an IRC 501(c)(3) tax-exempt, distinct legal entity apart from Green Valley Recreation, Inc. Its sole focus is on charitable giving and enhancing, enriching and supporting our community. This is possible only with generous tax-deductible financial support and gifts from individuals towards our annual campaign, planned giving, corporate sponsorship and volunteerism.

Please contact us at (520) 838-0151 to inquire about gifts to our Annual Campaign, Planned Giving opportunities and Corporate Giving and Sponsorship.

Strategic Goals

- Expand the Member Assistance Program (MAP) for GVR members with financial needs.
- Develop recreation and social programs for special needs populations.
- Launch health and wellness initiatives that support GVR members and the Green Valley community.
- Leverage collaboration and partnerships with other nonprofits and businesses that bring greater good to Green Valley.
- Assist sports programs and facilities development for active adults.
- Improve access to and availability of transportation services.
- Encourage tourism and economic development.
- Support GVR clubs and other special interest groups with their specific projects and initiatives.

Member Assistance Program (MAP)

Since 1995, more than 700 Member Assistance Program (MAP) grants were awarded to GVR members, providing relief when they were struggling financially. MAP recipients include widows and widowers, disabled vets, the seriously ill, and individuals living on limited financial resources. The GVR Foundation is working to strengthen and enhance the MAP program.

Adult Recreation & Day Services – Engage!

The GVR Foundation is collaborating with Casa Community Services (at La Posada) and GVR to fund program *Engage!* that offers adult day services, recreation and physical activities, a lunch program, and classes centered on aging issues.

Southern Arizona Senior Games

The GVR Foundation is the parent organization for the Southern Arizona Senior Games, presented by Green Valley Recreation, Inc. This annual month long event in March for adults 50+ years of age features more than 30 different sport and recreation competitions – some for serious competitors and others more for the fun of it! In 2015, the Senior Games attracted more than 1,000 participants and volunteers from 37 U.S. states and Canada.

Adopt-A-Highway

The GVR Foundation has joined with GVR and adopted sections of the local I-19 corridor and frontage road in Green Valley to help keep our community looking sharp and litter-free. Combined, more than 75 GVR member and staff volunteers have participated in the quarterly litter pick-ups since 2014.
